

**Tony Farfor  
Director**

Tony Farfor is the Director at Tony Farfor & Associates and was formally managing director of Keith Farfor and Associates (2001-2008). I have been providing advice to clients on Occupational Health & Safety and Workers' Compensation management since 2001.

I have a background in the building and construction industry, and worked for 18 years in this field. I have a wealth of experience in Plant Equipment, Hazardous Substances and Dangerous goods. Including storage and handling requirements for these. I have worked closely with many government authorities to help clients in meeting their legal responsibilities.

I have excellent knowledge in the risk assessment process and can help develop controls in all areas. My company can develop full OHS systems and help with the implementation of these.

I have numerous qualifications and have completed the following.

- Occupational Health & Safety Reps course
- The NSCA auditor's course
- Du Pont Safety Leadership for managers
- Du Pont Incident Investigation Workshop
- Advanced Certificate in Landscape Construction and Design.
- QBE Claims management, Basic and advanced
- QBE Premium management
- QBE Return to work Co-ordinator
- Member of SIA (Safety Institute of Australia Chartered Professional Member)
- Diploma in OHS
- CPMSIA
- COHSPrac

Tony works with a number of large national and international companies across Victoria and has a comprehensive knowledge of both Occupational Health & Safety and Workers' Compensation requirements.

I have a positive attitude and a passion for getting the job done, and as my logo states "your safety IS my business"
